

Everything Is Free, by Gillian Welch

[Intro]

Am C G D

[Chorus]

Am  
Everything is free now  
C  
That's what they say  
G  
Everything I ever done  
D  
Gonna give it away.  
Am  
Someone hit the big score  
C  
They figured it out  
G  
That we're gonna do it anyway  
D  
Even if doesn't pay.

[Verse 1]

Am  
I can get a tip jar  
C  
Gas up the car  
G  
Try to make a little change  
D  
Down at the bar.  
Am  
Or I can get a straight job  
C  
I've done it before  
G  
Never minded working hard  
D  
It's who I'm working for.

[Verse 2]

Am  
Every day I wake up  
C  
Humming a song  
G  
But I don't need to run around  
D  
I just stay home.  
Am  
Sing a little love song  
C  
My love of myself  
G  
If there's something that you  
D  
want to hear  
D  
You can sing it yourself.

[Repeat Chorus]
