

Everything Is Free chords  
Gillian Welch

Dm F C G

Dm  
Everything is free now,

F  
That's what they say.

C  
Everything I ever done,

G  
I'm going to give it away.

Dm  
Someone hit the big score.

F  
They figured it out,

C  
That we're gonna do it anyway,

G G7  
Even if doesn't pay.

Dm  
I can get a tip jar,

F  
Gas up the car,

C  
And try to make a little change

G  
Down at the bar.

Dm  
Or I can get a straight job,

F  
I've done it before.

C  
I never minded working hard,

G G7  
It's who I'm working for.

CHORUS

Dm  
Every day I wake up,

F  
Hummin' a song.

C  
But I don't need to run around,

G  
I just stay home.

Dm  
And sing a little love song,

F  
My love, to myself.

C  
If there's something that you want  
to hear,

G  
You can sing it yourself.

Dm  
'Cause everything is free now,

F  
That what I say.

C  
No one's got to listen to

G G7  
The words in my head.

Dm  
Someone hit the big score,

F  
And I figured it out,

C  
That we're gonna do it anyway,

G G7  
Even if doesn't pay.
