

I Won't Give Up, Mraz

Capo 2nd fret

[Verse 1]

G C G
When I look into your eyes
C G
It's like watching the night sky
C G
Or a beautiful sunrise
D
There's so much they hold
C G
And just like them old stars
C G
I see that you've come so far
C G
To be right where you are
D
How old is your soul

[Chorus]

C G
I won't give up on us
Em D
Even if the skies get rough
C G
I'm giving you all my love
D
I'm still looking up

[Verse 2]

C G
And when you're needing your space
C G
To do some navigating
C G
I'll be here patiently waiting
D
To see what you find

[Chorus 2]

C G
Cause even the stars they burn
Em D
Some even fall to the earth
C G
We've got a lot to learn
D
God knows we're worth it
C G
No I won't give up, oh no

[Bridge]

I don't want to be someone
Who walks away so easily
I'm here to stay and make
the difference
That I can make
Our differences they do a lot
To teach us how to use the tools and gifts we've got
Yeah, we've got a lot at stake
And in the end you're still my friend at least
We did intend for us to work
We didn't break we didn't burn
We had to learn how to bend
Without the world caving in
I had to learn what I've got
And what I'm not
And who I am

[Chorus 1]

I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
I'm still looking up

[Chorus 3]

I won't give up on us
God knows I'm tough enough
We've got a lot to learn
God knows we're worth it

[Chorus 1]

I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up

I'm still looking up
