

Let It Be Me, by Ray LaMontagne

INTRO:

(** RIFF **) -> F C G |F C|

VERSE:

(** RIFF **)

F

There comes a time

C

a time in everyone's life

G

where nothin' seems to go your way

F

C

(** RIFF **)

when nothing seems to turn out right

F

G

(** bass walk-up of notes G~A~B to C chord below **)

there may come a time,

C

C/B

Am7

G

you just can't seem to find your place

F

G

Gb -> F

for every door you open,

F

G

seems like you get two slammed in your face

PRE-CHORUS:

(** REST **)

F

Bb

F

C

F

C

that's when you need someone, someone that you can call

(** bass walk-down of C~B~A from C chord to G Chord below **)

C

G

when all your faith is gone

G

F

C

it feels like you can't go on

CHORUS:

(** REST **)

F

let it be me

C

let it be me

G

if it's a friend that you need

F
let it be me

C
let it be me

VERSE2:
(** RIFF **)

F
feels like you always comin' up last

C
pockets full of nothin' ain't got no cash

G
no matter where you turn you ain't got no place to stand

F C (** RIFF **)
reach each out for something and they slap your hand

F G (**bass walk-up of notes G~A~B to C chord below**)
i remember all too well

C C/B Am7 G
just how it feels to be all alone

F G Gb -> F
feel like you'd give anything

F G
for just a little place you can call your own

PRE-CHORUS:
(** REST **)

F Bb F C F C
that's when you need someone, someone that you can call

(** bass walk-down of C~B~A from C chord to G Chord below **)

C G
when all your faith is gone

G F C
it feels like you can't go on

CHORUS:
(** REST **)

F
let it be me

C (**bass walk-down of notes C~B~A to G Chord**)
let it be me

if it's a friend you need

let it be me

let it be me

let it be me

let it be me (**bass walk-down of notes C~B~A to G Chord**)

if it's a friend you need

let it be me

let it be me

let it be me
