C

And all I remember is your back

Am

F

C

Walking towards the airport leaving us all in your past

G

Am

F

I traveled fifteen hundred miles to see you

G

Am

Begged you to want me

F

But you didn't want to

[Chorus]

C

But piece by piece he collected me

G

Up off the ground where you abandon things

Am

F

And piece by piece he filled the holes that you burned in
me

At six years old and you know

C

He never walks away

He never asks for money

G

He takes care of me

He loves me

Am

Piece by piece

He restored my faith

That a man can be kind
And a father could stay

[Verse]

And all of your words fall flat
I made something of myself and now you wanna come back
But your love it isn't free
It has to be earned
Back then I didn't have anything you needed
So I was worthless

[Chorus]

But piece by piece he collected me
Up off the ground where you abandon things
And piece by piece he filled the holes that you burned in
me
At six years old and you know
He never walks away
He never asks for money
He takes care of me
He loves me

Piece by piece

He restored my faith

F

That a man can be kind

And a father could stay

She will never have to wonder her worth

F

Because unlike you I'm gonna put her first and you know

C

He'll never walk away

He'll never break her heart

He'll take care of things

He'll love her
