[Verse 3]

Remember jumping in the pool when we were fully clothed in August  
We were soaking, choking, smoking in my old shitty apartment  
Then they cut off all the lights 'cause the bills were never paid  
We were stealing all the power from the neighbors on vacation

[Chorus]

I ain't spotless, neither was you  
For once in my life I'm gonna see it through  
If you want spotless, I'll always lose  
You gave me a love, lover you gave me the truth

[Bridge]

I was alone  
You were bettin' on a loser, you were calling my bluff  
Holding one another, is it never enough?  
You were right there with me

[Chorus]

I can't stop this, neither can you  
For once in my life, I'm down to see it through  
If you want spotless, I'll always lose  
You gave me love, lover, you gave me truth
