

Wearing The Inside Out, Pink Floyd

Cm Eb
From morning to night
I stayed out of sight

Bb F
Didn't recognize I'd become

Cm Eb
No more than alive I'd barely survive

Bb F
In a word...overrun

Gm
Won't hear a sound

F
From my mouth

Gm
I've spent too long

F
On the inside out

Gm
My skin is cold

F
To the human touch

Gm
This bleeding heart's

F
Not beating much

Cm Eb
I murmured a vow of silence and now

Bb F
I don't even hear when I think aloud

Cm Eb
Extinguished by light
I turn on the night

Bb F
Wear its darkness with an empty smile

Bridge: [G# | Cm | Gm | G#]

Fm
I'm creeping back to life

G
My nervous system all awry

G# Bb
I'm wearing the inside out

Bridge Solo:[Cm | Eb | Bb | F] 2x

Cm Eb
Look at him now, he's paler somehow

Bb F
But he's coming round

Cm Eb
He's starting to choke,
it's been so long since he spoke

Bb F
Well he can have the words
right from my mouth

Gm
And with these words

F
I can see

Gm
Clear through the clouds

F
that covered me

Gm
Just give it time

F
then speak my name

Gm F
ourselves again

Gm
I'm holding out

F
For the day

Gm
When all the clouds

F
Have blown away

Gm
I'm with you now

F
Can speak your name

Gm
Now we can hear

F
Ourselves again

[Gm | F] 8x [Bb] 4x
