

You Can Close Your Eyes, James Taylor

[Intro]

D G A // D G A7

Well the Sun is surely sin - kin' down,

and the Moon is slowly ri - sing.

So this old world must still be spinnin' 'round,

and I still love you.

So Close your eyes, you can close your eyes, its al - right.

I don't know no love songs, and I cant sing the blues any - more.

But I can sing this song; and you can sing this song, when I'm gone.

Em G Asus2-A

It won't be long before another day.

We gonna have a good time,

and no ones gonna take that time away.

You can stay as long as you like.

So Close your eyes, you can close your eyes, its al - right.

I don't know no love songs, and I can't sing the blues any - more.

But I can sing this song; and you can sing this song, when I'm gone.
