Key: C#

[Intro]

C G Am F

[Verse 1]

C G Am F
I'm going under and this time I fear there's no one to save me
C G Am F
This all or nothing really got a way of driving me crazy
F C
I need somebody to heal
C G
Somebody to know
G Am
Somebody to have
Am F
Somebody to hold
F C
It's easy to say
C G
But it's never the same
G Am F
I guess I kinda liked the way you numbed all the pain

[Chorus]

F C
Now the day bleeds
C G
Into nightfall
G Am
And you're not here
Am F
To get me through it all
F C
I let my guard down
C G
And then you pulled the rug
G Am F
I was getting kinda used to being someone you loved

[Verse 2]

C G Am F
I'm going under and this time I fear there's no one to turn to
C G Am F
This all or nothing way of loving got me sleeping without you
F C
Now, I need somebody to know
C G
Somebody to heal
G Am
Somebody to have
Am F
Just to know how it feels
F C G
It's easy to say but it's never the same
G Am F
I guess I kinda liked the way you helped me escape

[Chorus]

F C
Now the day bleeds
C G
Into nightfall
G Am
And you're not here
Am F
To get me through it all
F C
I let my guard down
C G
And then you pulled the rug
G Am F
I was getting kinda used to being someone you loved

[Bridge]

Dm Am G
And I tried to close my eyes but it hurts sometimes
Am Dm
I fall into your arms
Am G
I'll be safe in your sound till I come back around
